

Today's Bragging Breakfast is hosted by the Natural & Physical Sciences Department

April's Touchstone is
LEARNING

Natural & Physical Sciences

MARC
KELTNER

Why science teachers
should not be given
playground duty.

Natural & Physical Sciences

Math does
have some
cool stuff, like
7s and 3s.

Natural & Physical Sciences

All Science
has is the
heavens and
earth and
everything in-
between.

Natural & Physical Sciences

- Agnes on Despicable Me and how she responds to unicorns.

Natural & Physical Sciences

- Amy Collins and how she responds to derivatives

Natural & Physical Sciences

Natural & Physical Sciences

- Dennis Gittinger in the Army, 1966.

“Urology, can you please hold?”

(hee, hee, hee)

Natural & Physical Sciences

- Anatomy in Clay (grant)
- Science Festival
- Guadalupe Community Center Food Drive
- Professional Student Organizations
 - Society of Aspiring Nurses
 - Pre-Health Delegation (PHD Club)
- Solar Eclipse
- Geology Trips

Anatomy in Clay

- We need 3 volunteers to model a clay temporalis muscle

Science Fair with John Jay HS students

University STEM representatives

Organized/judged by Brian Stout & Kurt Elliot

Roopa Prasad & Jacob Crandall

Chemistry PBL Instructors

ALAMO COLLEGES DISTRICT
Northwest Vista College

Natural and Phys
Sciences Department

You are invited to the

SCIENCE FESTIVAL!

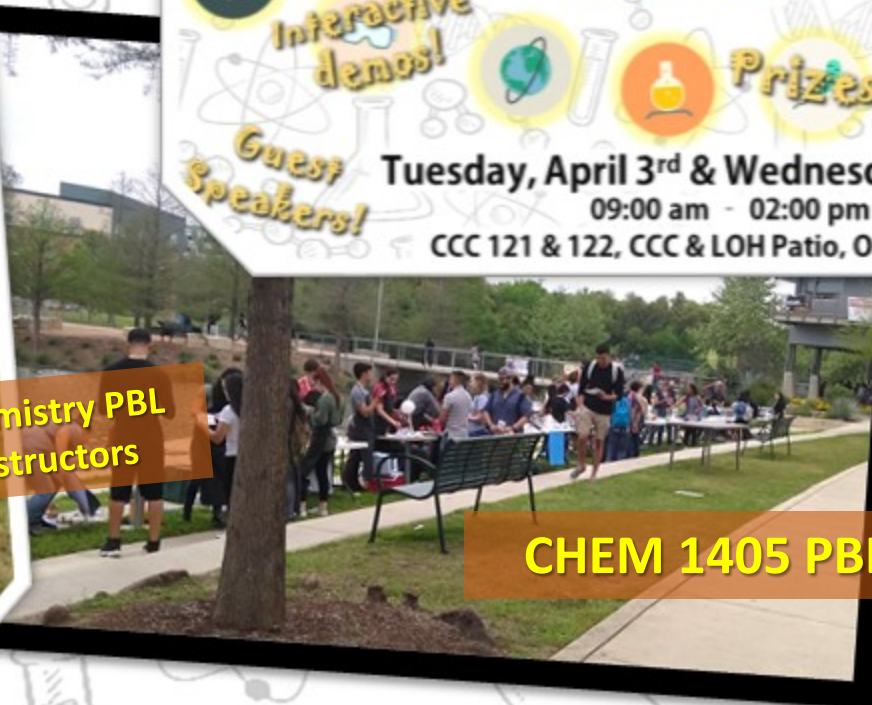

Interactive demos! Fun Games! Prizes! Snacks!

Guest Speakers!

Tuesday, April 3rd & Wednesday, April 4th
09:00 am - 02:00 pm
CCC 121 & 122, CCC & LOH Patio, Outside Lawn

Supported by the NVC
Chemical Activities Fee

CHEM 1405 PBL class demonstrations!

Physics Static Electricity demonstration – Van de Graaff generator

Jo Ann Gonzalez' BIOL class demonstrations

Physics Oobleck [Non-Newtonian] Mini-pool!

Oobleck [Non-Newtonian] fluid!

Jo Ann Gonzalez' BIOL class microscope exhibits

Undergraduate Research Opportunity from TAMUSA

March 1, 2018 Food Drive for the Guadalupe Community Center Food Pantry

Food Drive for the Guadalupe Community Center Food Pantry

- Jo Ann Gonzalez's nutrition class has been involved with experiential learning helping children from low-income families make good nutritional choices.
- Students took their interests further by hosting a food drive that collected **419 pounds** of canned and dry food for the food pantry.

Anatomy in Clay

- Let's check in on our muscle modelers

Student Organizations

Volunteer Events

- Food Bank Warehouse
- Food Bank Kitchen
- No Graffiti SA
- Salvation Army
- Baptist Nursing Tour
- UTHSC Information Session
- UIW Information Session
- Nursing Panel Questionnaire
- TEAS Anatomy/ Biology Session
- TEAS Reading/ English Session
- TEAS Math Session

NO GRAFFITI SA

Salvation Army

Nursing School Tours

NURSING PANEL

PHD Club

(Pre-Health Delegation)

- UTHSCSA's Science Expo
- Doctor of Nurse Practitioner Talk
- Campus Blood Drive
- Food Bank
- UTSA Health Career Tour
- UT Health Campus Orientation (upcoming)
- UT health Barshop Student Day (upcoming)

PHD Club

total Eclipse

AUGUST.21.2017

ALAMO COLLEGES DISTRICT
Northwest Vista College

**Even the bushes outside LOH
showed an image of the eclipse**

Transit of Venus, June 5, 2012

Geology Field Trips

- Government Canyon
- Enchanted Rock
- Lost Maples Natural Area
- Mississippi Petrified Forest
- Rainbow Mountains (Peru)

Government Canyon Natural Area

Enchanted Rock

**Lost Maples Natural
Area**

Rainbow Mountains, Perú

**Mississippi
Petrified Forest**

Anatomy in Clay

- Thank you Anatomy in Clay Volunteers, all those that helped with NPS's hosting of Bragging Breakfast.
- And thanks to all of you for helping this magic happened (even Math Dept.)

Natural & Physical Sciences

Graduating as many as we can!
